Sub: **One-Week Capsule Course for Executives associated with Hot Line Activities from 29.10.2018 to 02.11.2018 (5 days) - reg**

Sir /Madam,

We are glad to inform that HLTC is organizing **One week Capsule Course for Executives (45th Batch)** from 29.10.2018 to 02.11.2018(5 days). The course is meant for spreading awareness about the Live Line Maintenance Techniques (LLMT) amongst executives involved in EHV Line Maintenance in general and intended to highlight the scope of LLMT and its potential extension to EHV switchyards. A brief outline of the Capsule course and how to reach the Institute are enclosed. In this programme normally we accommodate around 12 trainees, and nominations are accepted on first-come-first served basis. It is requested that the nominations be sent sufficiently in advance so as to reach us at least one week prior to the commencement date of the course; ie, by **22nd, Oct 2018**. It is advised that the nominations may please be got confirmed from HLTC before deputing the participants. **The residential Course Fee is Rs. 25,190/- (Rupees Twenty Five Thousand One Hundred And Ninety only) for participant. It includes training fee, Boarding and Lodging charges & service tax.**

It is requested to nominate as many executives as possible from your organization for the course. Technical Officers in-charge of Human Resource Department / Personnel & Administration responsible for nominating their personnel for training courses can also attend this course.

Yours faithfully,

-sd-

ONE WEEK CAPSULE COURSE FOR EXECUTIVES IN HOT LINE ACTIVITIES

from 29.10.2018 to 02.11.2018.

ABOUT HLTC

The fast developing High and extra High Voltage Power System Network calls for least interruption in Power Supply and increased system security. Efficient operation and maintenance of existing and expanding Power System networks play a vital role in shaping the economy of the country which necessitated adoption of specialized techniques, for the maintenance of power transmission and distribution lines.

The Hot Line Training Centre was established at Bangalore to impart specialized training in Live Line Maintenance Techniques (LLMT) using Hot Stick Method (HSM) up to 220 kv to the personnel of the State Electricity Boards / Supply Undertakings all over India and Abroad.

The fast growing HT & EHT Transmission lines and the rapid addition to 400 kv lines in the country has made it imperative to upgrade the Live Line Maintenance Technology. LLMT Course using the Bare Hand Techniques up to 400 kv is designed and planned to meet the needs of the transmission networks owned and operated by various Power Supply and Transmission Undertakings in the country.

BRIEF OUTLINE OF THE COURSE

The following topics shall be covered in the course.
